Visitors Guide

In order to limit the exposure for patients and staff, visitation is currently suspended due to COVID-19. This policy will be strictly enforced with no exceptions for individual circumstances. Additionally, the bus service usually available for families has been suspended until further notice.

We understand how important it is for our patients to feel support of loved ones. Below are telephone numbers to call loved ones on the unit. We are also in the process of facilitating video calls using Zoom, a free app available for download. Thank you for your cooperation.
